Before you dig

We manage the network that distributes natural and green gas to 5.9 million customers across Scotland and the south of England. We own and operate 74,000km of gas mains, including High Pressure (HP) pipelines.

HP pipelines - we'll visit you for free
With 10 days' notice, we'll visit the site free of charge to help you plan your work, confirm and mark the location of any pipeline, and advise what work is permitted.

Protect yourself
Damaging our network could have very serious consequences. Always get in touch with us before starting any work and avoid:

- ✗ Death or injury to yourself or others
- ✗ Disruption to gas supplies
- ✗ Claims for costs to repair the damaged pipeline
- ✗ Health & Safety Executive investigations
- ✗ Environmental issues
